

FOR IMMEDIATE DISTRIBUTION**PRESS RELEASE****FULLERTON FUND MANAGEMENT APPOINTS
JENNY SOFIAN AS CHIEF EXECUTIVE OFFICER**

An acknowledged leader in the asset management industry, Jenny Sofian will lead the development and implementation of Fullerton Fund Management's overall business strategy

Singapore, 16 October 2017 – Fullerton Fund Management (“Fullerton”) has appointed Jenny Sofian as the firm’s Chief Executive Officer (“CEO”), effective 1 November 2017. As CEO, Jenny will lead the development and implementation of Fullerton’s overall business strategy. She will focus on expanding Fullerton’s third-party business, to ensure the delivery of distinctive investment solutions and superior service quality to clients. Jenny will also work closely with Fullerton’s award-winning investment team to ensure continuity of its strong investment performance.

Jenny is an accomplished executive, with over two decades of deep and extensive experience across Asia. Over the course of her career, she has held various investment and business leadership roles, which included senior portfolio management and research responsibilities. She also has an established track record in developing and growing institutional and retail businesses in the region.

Jenny joins Fullerton from Amundi Singapore, where she was most recently CEO and Head of South Asia since November 2009, responsible for their Southeast Asian and Australian operations. She also served as Regional Director of Southeast Asia at the group level.

Ho Tian Yee, Chairman of the board, who is also Fullerton’s interim CEO, will work closely with Jenny to ensure a seamless transition of responsibilities. Tian Yee said, “Jenny’s appointment is the culmination of our search for someone who can lead Fullerton’s growth ambitions and fulfil our long-term plans. Jenny is a proven leader with an established record of growing businesses and creating value for stakeholders. Her people-oriented approach and interpersonal skills will also be a force of motivation for the team. I am confident she is the right person to lead Fullerton on the next phase of its journey.”

Jenny shared, “I am excited to be joining a firm with such talent and track record, and to be part of its growth journey. I believe we are at the cusp of incredible opportunity and prosperity in Asia, and I look forward to working with the rest of the Fullerton team to further the firm’s success and grow it into a “best in class” asset management house. In particular, I intend to focus on accelerating Fullerton’s growth across our key markets, as the firm continues to deliver strong investment returns for clients.”

END

Note to Editor:**Jenny Sofian**

Jenny Sofian is the Chief Executive Officer of Fullerton Fund Management.

Prior to joining Fullerton in 2017, Jenny spent more than 20 years at Amundi Singapore. She was appointed the CEO and Head of South Asia in November 2009, responsible for their Southeast Asian and Australian operations. She also served as the Regional Director of Southeast Asia at group level. Jenny joined Amundi in 1996, to manage Asian equity portfolios. She was later appointed Head of Research for Asia and in 1999, promoted to Managing Director. Earlier in her career, Jenny worked for the investment management division of a composite insurance company from 1990.

Jenny serves as a Director of Finance Accreditation Agency. She received a BS in Business Administration from San Diego State University.

About Fullerton Fund Management

Fullerton Fund Management is an Asian and emerging market specialist, with investment capabilities that span equities, fixed income, multi-asset and alternatives. It was incorporated in Singapore in 2003 and is a wholly-owned subsidiary of Temasek Holdings.

Prior to its establishment, Fullerton's investment team operated as the internal fund management division within Temasek, managing its capital resources since 1989. Today, the firm's clients span government agencies, pension plans, insurance companies, endowments, sovereign wealth and private wealth. With more than 13 years of experience in Asian financial markets, Fullerton builds on its institutional heritage to provide clients with investment solutions that are long term, research-based and conviction-led.

Headquartered in Singapore, Fullerton has associated offices in Shanghai, London and Tokyo. Fullerton is licensed under the Securities and Futures Act and regulated by the Monetary Authority of Singapore. The firm's AUM stood at SGD17.3 billion, as at 30 September 2017.
