Important Notes

- 1) This publication is for information only and your specific investment objectives, financial situation and needs are not considered here. The value of units in the Fund and any accruing income from the units may fall or rise. Any past performance, prediction or forecast is not indicative of future or likely performance. Any past payout yields and payments are not indicative of future payout yields and payments. Distributions (if any) may be declared at the absolute discretion of Fullerton Fund Management Company Ltd (UEN: 200312672W) ("Fullerton"), except for fixed distribution payout, and are not guaranteed. Distribution may be declared out of income and/or capital of the Fund, in accordance with the prospectus. Where distributions (if any) are declared in accordance with the prospectus, this may result in an immediate reduction of the net asset value per unit in the Fund. Applications must be made on the application form accompanying the prospectus, which can be obtained from Fullerton or its approved distributors. You should read the prospectus and seek advice from a financial adviser before investing. If you choose not to seek advice, you should consider whether the Fund is suitable for you. The Fund may use or invest in financial derivative instruments. Please refer to the prospectus of the Fund for more information. This advertisement or publication has not been reviewed by the Monetary Authority of Singapore.
- 2) Underlying portfolio yield is calculated based on the dividend and interest income earned by the underlying investments of the Fund expressed as a percentage of daily average NAV. If the fund/fund share class has been incepted for more than 5 years, the underlying portfolio yield disclosed is for the past 5 years.
- 3) Average payout yield since inception is calculated based on a simple average of the annual dividend yields paid to shareholders/unitholders since inception.
- 4) Average distribution since inception is calculated based on the simple average of dividend distribution per annum since inception.
- 5) Annualised volatility since inception is only available for fund classes incepted for more than 12 months.
- 6) Distributable Income takes into account net realised gains. It is also net of all fees and expenses, including management fees and distribution costs.
